# Vandals of Idaho Will Invade Grizzly Lair to Battle for Little Brown Stein

## THE MONTANA KAIMIN

Montana State University, Missoula, Montana Z400 Friday, October 30, 1942. Volume XLII. No. 13

### Governing Body OK's Appointment of Twenty To ASMSU Committees

Names Additions to Parent's Day, Minor Sports, Social, Athletic, Budget, Finance, Entertainment, Tradition, Publications, Convo Groups

Central Board last Tuesday approved the appointment of 20 students on University committees as successors to students appointed last spring but no longer in school. The recommendations were made by Scotty MacLeod, Hardin, ASMSU president, and approved by Central Board.

The new committee members are listed below.

**Athletic Board**—Jack Cuthbert, Drummond, replaces Fritz Krieger, Park City.

**Budget and Finance Committee**—Dr. Gordon B. Castle, professor of zoology, succeeds Dr. G. D. Shallenberger, professor of physics. This appointment was made because of the increased activities of Dr. Shallenberger.

**Convocation Committee**—Bob James, Simms, replaces Jack Mahan, Helena.

**Hurley Named**

**Outside Entertainment Committee**—Judith Hurley, Lewistown and Ralph Gildroy, Billings, will assume the duties of Barbara Raymond, Malta and Bob Steffanson, Deer Lodge.

**Publications Committee**—Dr. Robert L. Housman, professor of journalism, was appointed to fill the vacancy left by Edward B. Dugan, assistant professor of journalism, now serving with the Navy. Betty Alf, director of the University News Service, and Peggy Thrailkill, Missoula, Kaimin business manager, take the places of John Campbell, Missoula and Bob Bennetts, Butte.

**Minor Sports Board**—Dewey Sandell, Sunburst and Dave Tawney, Missoula, were named as successors for Bennetts and Vincent Wilson, athletic assistant, replaced Harry Adams.

**Traditions Board Members**

**Traditions Board**—Eileen Plumb, Hardin, Spur president; Joe Gans, Helena; Barbara Worden, Round-

(Continued on Page Two)

### Game Captain

Karl Fiske, Outlook, senior halfback who is playing his last game before a Montana crowd, was selected game captain by his teammates for the all-important Idaho game.

### Kaimin Offers Special Rates

The Kaimin is offering a special rate to fraternities and other groups on the campus for subscriptions to the Kaimin in order that those groups who have men in the service can send them regular issues of the paper at a low cost to the fraternity or group, Charles Murray, San Francisco, circulation manager, announced yesterday.

Rates will be \$1 for a year. For those groups who subscribe for ten or more, a special rate of 75 cents will be made. However, there must be at least 10 names from one specific group to take advantage of the 75-cent offer.

Names and addresses should be handed in to Peg Thrailkill, Missoula, Kaimin business manager, as soon as possible.

### Foresters Cancel Hike This Year

The Forestry Club has found it necessary to cancel its annual fall hike for this year, due to the fact that the majority of the forestry professors will be out of town at conferences, Tom Finch, Spokane, president, announced yesterday.

The hike which was scheduled for Sunday would be too late in the season if postponed any longer.

### Homecoming Crowd To See Twirling Show

Kappa Alpha Theta flag twirling corps, 32 in number, will make its first appearance in the Homecoming game parade this Saturday afternoon along with the Grizzly Pep Band, the Tri-Delt Drum Corps and the University Baton Twirlers. The parade will start at the Union Pacific Depot at 1:30 o'clock and march through town presenting a colorful spectacle of school spirit.

The flag twirlers, who have been under the direction of Clarence Bell, band director, will exhibit many tricky formations between halves of the Montana-Idaho game. The performance will be carried out with satin flags of copper, silver and gold.

"Roses To Riah," a poem by Helen MacDonald, Butte which appeared in last year's fall issue of "Sluice Box" is one of two poems selected from Montana for a place of honor in this year's volume of "American Poet Laureate."

### Fiske Named Captain Of Montana Squad For Last Home Game

Both Teams Look for Season's First Victory In Conference Play; Home Team at Manpower Peak for First Time This Year

By GEORGE O'CONNELL

University of Idaho's Vandals will invade Missoula Saturday in hopes of wresting "The Little Brown Stein" from the grasp of Montana's Grizzlies, who have held it for the last three years. The Vandals will present a formidable threat to Grizzly hopes of retaining this trophy, symbolic of the rivalry between the schools. The Idahoans, paced by diminutive Howard Manson, a forward

### Musical Revue Show Monday

Four acts from the forthcoming all-school musical revue, "Confidentially, Mr. Hitler," will be previewed Monday, November 2, at the Missoula Blood Bank's Victory Jamboree, according to Larrae Haydon, director of dramatics.

The University male chorus under the direction of John Lester, assistant professor of music, will present the motif of the show by singing "This Is the Army, Mr. Jones"; Mike O'Connell, Butte, will do a tap routine; Julius Wuerthner and Jack Greaves, novelty piano duo from Great Falls, will play "Boogy-woogy" and "Blues in 'G'"; and Mabel Ringling, White Sulphur Springs, will sing "St. Louis Blues" and "Blues in the Night."

### Mountaineer Drive Starts

Subscription drive for Mountaineer, new campus literary magazine, will begin today, according to Lael Olcott, Red Lodge, circulation manager. Subscriptions may be obtained from solicitors in the sorority houses, in the dormitories, from Miss Olcott or from Bette Daly, Missoula, assistant circulation manager. The subscription price will cover all issues and will allow a saving, Bob Wylder, Havre, business manager, said.

"Mountaineer," will appear December 2.

passing artist of no small ability, have fared about as well as the Grizzlies so far as victories are concerned. However, they have looked very impressive in bowing to some of the larger Pacific coast schools.

Karl Fiske, senior halfback from Outlook, has been named Grizzly captain for Saturday's game. Karl has two years of experience in the backfield where his speed and drive have been instrumental in getting many a Grizzly offense rolling. Fiske's back was troubling him at the beginning of the year, but during the last fortnight he was a shining light in Grizzly practice sessions.

Clyde Carpenter, Grizzly mentor, has been drilling his charges nightly in preparation for this tilt. The boys have just about mastered "Carps" style of play and are itching to find an opponent to test it. The Montanans have been pointing to this game all season and have hopes of erasing that little round "0" in their win column.

One bright aspect of the fray is that fact that the Grizzlies will be at the peak of their manpower for the first time this season. "Bustin' Barney" Berger and Dick Kern, a pair of piledriving fullbacks, have recovered sufficiently from shoulder injuries and will see action. Others on the squad are in fine fettle and raring to go.

Saturday's game promises to be a wide open affair, replete with passing and the sort of deception that has made Francis Schmidt, Vandal coach, famous.

BEAT IDAHO!

## Activities of 'Grizzly Week' Nears Climax

Major activities of Grizzly Week will begin tonight with the annual Pajama Parade, followed by Pajamboree, a one-hour outdoor convocation, and the first University Funlight starting at 9 o'clock in the Gold Room. The Friday night pageant follows a week of exercises preparatory to the celebration tonight and tomorrow.

Monday, the festivities began with the wearing of boot and jeans, and beards by the male element. Tuesday, Bearpaws and Spurs began their sale of "Little Brown Steins" tags to finance and advertise the week. Signs told Tuesday 8 o'clockers of the impending Grizzly Queen race.

Last night, the lighted "M" went up on the oval and freshman president, Glenn Hinton,

Missoula, and staff hung effigies of the Idaho Vandals from trees around the campus.

Voting for Grizzly Queen will take place in the Student Union store today from 9 to 5 o'clock, Bill Anderson, Fort Benton, chairman of the ticket sale, announced yesterday. All students may vote. Tickets for the dance may be obtained at the voting table, or from any member of the Managers' Club.

Candidates for Homecoming Queen are Frances Morgan, Anaconda, Alpha Chi Omega; Marion Emerson, Shelby, Alpha Delta Pi; Betty Nadler, Billings, Alpha Phi; Jeannette Bakke, Cut Bank, Delta Delta Delta; Virginia Bell, Glasgow, Delta Gamma; Marjorie Templeton, Helena, Kappa Alpha Theta; Marie Murphy, Stevensville, Kappa Kappa

Gamma; June Sanders, Troy, Women's Co-op, and Dorothy Martin, Two Dot, Independent.

At 7:30 o'clock, Pajama Parade will start from the Northern Pacific Depot. The Grizzly Band and baton-twirlers, the Tri-Delt drum corps, and Kappa Alpha Theta twirlers with copper, silver and gold flags will lead the march of students to the oval.

At 8 o'clock Skeff Sheehy, Butte, traditions chairman, will be master of ceremonies of Pajamboree, open air convocation around the lighted "M" on the oval, Mike O'Connell, Butte, convocations chairman, announced.

If weather conditions are not good, Pajamboree will be moved into the Student Union theater.

Immediately after the convo a free Hallowe'en Mixer is scheduled

in the Gold Room with card games in the Copper Room and games in the Silver Room, according to Betty Nadler, Billings, chairman of the Funlight series. Decorations for the mixer were made by Barbara Grigbsy, Livingston, Sue Smartt, Butte; Marilyn Hillstrand, Great Falls; Arthur Arras, Cut Bank; Bob Hansen, Warden, and Don Greaves, Great Falls.

Eileen Plumb, Hardin, president of Spurs, last night stated, "Fraternity and sorority members who are not dating Friday night are expected to go with their groups in a body to the mixer. Bearpaws and Spurs will go around to residence halls houses to rout out students not attending the dance and make them come. Groups from the halls are also expected to attend

in bodies."

Saturday's schedule starts at 1:30 o'clock with the parade of queen candidates, Bearpaws, Spurs, Grizzly Band, 20 baton twirlers, 32 Tri-Delt drum corps members and 32 Kappa Alpha Theta flag twirlers, who will lead the parade from the N.P. depot through the business district.

Grizzlies and Vandals will tangle for possession of the "Little Brown Stein" at 2:30 p.m. Half-time program will feature fancy marching of the band, flag and baton twirlers, and drum corps.

Immediately after the game a Coffee Hour in the Student Union Lounge is scheduled. For the first time in the history of the University, students along with the gen-

## ROSES FOR THE UNIVERSITY LIBRARY

Another indication that the University of Montana is taking its rightful place in the cultural center was given this year when the library received from the United States Office of Education in Washington, D. C., an appointment to serve as the center of war information for the state.

The library, through this appointment, is the only official collection center in the state of government and other public documents, authoritative pamphlets, bulletins and volumes, posters, digests and periodicals, logs and diaries of war correspondents, and all other printed and pictorial material related to World War II. The collection is vitally important during the emergency as a means of disseminating throughout the state all war information. In addition, it will stand in future years as the only complete compilation of war literature in Montana.

The library received this appointment not only because it is and should be the focus point of culture in the state, but also because it is physically the best equipped to handle it. Miss Kathleen Campbell, University librarian, says the library has ample space to house the extensive assemblage of war literature. New stacks and files are being installed to accommodate the material which comes daily in ever-increasing quantities.

The library staff is now in a position to send out any type of information regarding the war effort. Although it means many hours of extra work for the librarians, they are glad to do all the research necessary to give out instructional information on the war. Anyone in the state may write to the library for such information. This includes material on first aid, nutrition, news, commentaries, war legislation—everything concerned with the war. The exhibition of posters which has been on display in the Art building during the past week is part of the collection on war information. The posters came from England, Canada and our own country. Miss Campbell said soon she expects to have also war posters from Russia and other United Nations.

Starting next week the Kaimin will have a special section devoted to the latest war information released by the library. In addition, there will be displays in both the library reading room and in the Student Union foyer of this material. Because the war is uppermost in all our minds now, the fact that our own University library is the center of war information for the state is of prime importance. We, and all other Montana people, may draw from the collection the enlightenment we must have for understanding our country's position and accomplishments in the war.—B.A.

## Governing Body Approves Twenty

up; Harry Hesser, Whitehall, Silent Sentinel president and Lowell Asher, Livingston, will fill the posts formerly held by Jack Nichol, Columbus; Phyllis Miller, Conrad and Krieger.

**Social Committee**—Viva Shirley, Choteau, now assumes the position occupied by Ethel Claire Kuenning, Seattle, Wash.

**Parent's Day Committee**—Anita Nokolby, Helena; Helen Boatwright, Missoula and Jeannette Bakke, Cut Bank, are now in committee positions of Donna Bertsch, Glasgow and Ardelle Lonnevik,

## PAT's PATTTER

By PAT COHE

Into the still of a Monday night, into the quiet of a sleeping Theta Siberia came six ghostly Sigma Chi's to haunt the KAT girls. Bunky Rochon was the first to become aware of the masculine presence, and immediately everyone was awakened. By candle light an eerie voice read the scroll of Theta-Sigma Chi connections. There were many. Just before exiting, the hunters overturned their hostesses—everyone—and left them lying under their mattresses. Lights. No lights. "Brother" Smiley had gotten hold of the master switch, and the girls had to run around in the dark until they could summon their faithless houseboy and get the lights fixed. It's tradition.

Who would ever have thought that we'd be worrying about an income tax? Here it is, though—\$500, and they've gotcha. Those elegant jobs dive-bomb in our opinion about now. Money didn't come so hard this summer, and now they're asking for a big, fat per cent back.

It's interesting how it works. First Sid Kurth wore it; then Anita wore it; and now Sid wears his Sigma Chi pin again.

Don't forget that manuscripts for the "Mountaineer" should come in soon.

Bet the painters' union objected to that overtime in the library last week done by a couple of fellows who donned the painters' uniforms and tried to hurry the job along. Believe it was Bill Leaphart and Tom Felt. Anyhow, they weren't very popular with the librarian.

Two boys on second floor in New Hall Wednesday! That's scandalous. O.K., so they were "almost-ten" and selling magazines.

Sigma Nu's serenaded the Theta's Monday night, on account of Vivian Olsen is wearing Gene Clawson's pin.

Westward ho—it's jeans and whiskers this week to remind us of Homecoming.

William Werstler, Jr., traveled by horseback more than 1,000 miles from his father's ranch at Walden, Colo., to the University of Illinois.

## Grizzly Week Festivities Near Climax

(Continued from Page One)

eral public, have been extended an invitation to come and have cake and coffee. University guests are invited to come and meet the football team. The committee in charge is Miss Anne Platt, Mrs. Monica B. Swearingen, Cyrile Van Duser and Miss Katherine White.

Hosts and hostesses are Mr. and Mrs. A. C. Cogswell, Dr. and Mrs. J. E. Miller, Mr. and Mrs. John Lucy, Mr. and Mrs. Kirk Badgley, Mr. and Mrs. Eddie Chinske, Mr. and Mrs. Morris McCollum, Mr. and Mrs. Clyde Carpenter, Mrs. G. P. Dahlberg, Mrs. D. A. Fessenden, Mrs. H. F. Adams, Mr. and Mrs. Archie Grover, Dr. and Mrs. Emerson Stone, Dr. and Mrs. E. A. Atkinson, Dr. and Mrs. O. E. Melby, Dean and Mrs. C. W. Leaphart, Dean and Mrs. R. H. Jesse, and Dean Mary Elrod Ferguson.

Student hosts and hostesses are Scotty MacLeod, Hardin; Betty Nadler, Billings, and Mary Bukvich, Butte, and members of Silent Sentinel and Mortar Board.

Members of the State Alumni Board who will be here are Mr. and Mrs. Charles Baldwin, Kalispell, and Mr. and Mrs. Brandborg, Hamilton. Local board members are Mr. and Mrs. W. L. Murphy and Mr. and Mrs. Theodore Jacobs.

Grand finale of the festivities will be the Managers' Club Sport Dance at 9 o'clock Saturday in the Student Union Gold Room. At 11 o'clock the successful candidate will be crowned queen by Capt. O. T. Davis, of the military science department. Crowning of the queen will follow the military theme of the dance.

Chaperones will be Capt. and Mrs. O. T. Davis, Lt. and Mrs. George W. Misevic and Dr. and Mrs. G. D. Shallenberger.

## KGVO Programs

Programs of interest to University students to be carried over radio station KGVO November 2-3.

Monday, Nov. 2

10:30-11:00 a.m. Calling All Women. "The University War Information Center" by Prof. Kathleen Campbell.

Tuesday, Nov. 3

9:30-9:45 p.m. University Debaters. "How has international economic competition caused war?" Participating are Don Dobson, Louise Replogle and Carl Isaacson, chairman.

## Advanced Physical Education Classes To Start Monday

After four weeks of mass floor exercises and calisthenics, physical education classes have now sectionized and are getting down to the finer points of developing the human anatomy, Charles Hertler, assistant professor of physical education, declared recently.

The boys began signing up for the various sections a week ago last Wednesday and classes in swimming, boxing, wrestling, apparatus work and calisthenics started their work on Monday of this week.

## TO THE STUDENTS OF MSU: "Mountaineer" needs more manuscripts!

If we are to publish a magazine of, by, and for the students, we must have more work submitted by campus writers. Poems, articles, sketches, short stories, we need them all. We especially need good live articles of current interest.

You may leave manuscripts with Dr. Hathaway, or at the phone booth in Main Hall or in Library 111. Or you may just hand them to your English professor and tell him to give them to us. The deadline is Wednesday, November 18.

You can help yourself by helping us.

Gertrude Auren,  
Editor, Mountaineer.

## Library Paint Job Completed Tuesday

Painting of the library reading room was finished Tuesday, according to T. G. Swearingen, University maintenance engineer. It has been painted twice since it was built in 1921, this being the second time.

The lighting effects on the desks have been increased one-third by the painting. The added light will greatly aid the industrious readers who frequent this room nightly, Swearingen said.

## Last Homecoming For These - -

Eight seniors will make their farewell appearance on the Dornblaser Field Saturday when the Grizzlies meet the Vandals from the University of Idaho. The seniors, without exception, leave next June for the armed forces; they also leave a warm spot in the heart of many Grizzly rooters.

**Bill Leaphart**, a social science major, has earned two varsity sweaters at the quarterback spot. A canny field general, Bill carries 170 pounds of blocking drive on a 5 ft. 10 in. frame. He is a graduate of Woodrow Wilson High School, Washington, D. C., where he was an important cog in the coach's crew. "Leap" is a member of advanced ROTC and will graduate this year with a commission of second lieutenant.

**Bill Swarthout**, the second of the quarterbacking Bill's, is also a social science major, with two block M's to his credit. He is a Prosser, Wash., product and tips the beam at 172 pounds.

**Henry "Dutch" Dahmer**, Havre, played center for two years, but was shifted to guard this season to bolster that position. "Dutch" has been a defensive bulwark this season. He also calls defensive signals. A big boy, "Dutch" stands 6 ft. 2 in. in his socks and weighs an even 200 pounds.

**Ken Drahos** is another potential three-striper. He is a duplicate of Dahmer in size, and plays the tackle next to "Dutch." A forestry major, Ken is another of the advanced ROTC students.

**Bill Robertson** from the "Electric City" of Great Falls is a two-year veteran. He tips the beam at 178 and stands 5 ft. 11 in. tall. Bill divides his time between his

study of the social sciences and advanced army, not to mention a certain Kappa.

**Dick Kern**, a crashing fullback of the Naranche type, is a Livingston product and a student in journalism. He is the heaviest back on the Grizzly roster at 190 pounds. Dick has earned one letter and is a Marines reservist.

**Vern Reynolds**, a 180-pound center, has seen a lot of action at the pivot post this season for the Grizzlies. Vern is studying journalism and comes to Montana from Prosser, Wash. He is in the Navy V-7 Reserve.

## Hesdorffer Leaves For Army Service

Dr. Meredith B. Hesdorffer, University physician, received a telegram recently asking that he report for active duty in Washington, D. C., next week. He left Missoula last week-end.

Dr. Hesdorffer will be associated with the Public Health Service as past assistant surgeon. He has known for some time that he would be called for active duty.

Besides being the University physician, Dr. Hesdorffer is the director of the health service and associate professor of public health. He will be granted a leave of absence for the duration.

# University Women Register for War Service

## More Than 150 Register For Volunteer Work In New Sewing Room

Over 150 University women have registered to work three or more hours a week in the Red Cross sewing room which was established last week in the Student Union. Under the supervision of the Faculty Women's Club, the students have been sewing children's clothes. Later in the quarter they will learn to cut and roll bandages and make pajamas for hospitalized soldiers. The sewing room, sponsored by the Missoula County Red Cross chapter,

was suggested by members of Alpha Lambda Delta, freshman honorary, to fill a need on the campus for worthwhile war work. As sponsor of the society, Lucia B. Mirrieles, professor of English, brought the idea before a campus "bull session." Mrs. E. A. Atkinson, president of the Faculty Women's Club, appointed a committee to get the project under way.

Working with Dr. W. R. Ames, professor of education and chairman of the Missoula County Red Cross, Mrs. F. O. Smith, committee chairman, Mrs. E. L. Marvin, Mrs. E. O. Melby and Mrs. I. W. Cook arranged with Miss Cyril Van Duser, Student Union manager, to use the Bitter Root room for the sewing room. Faculty women donated seven sewing machines and other necessary equipment, with cloth,

thread and sewing implements provided by the Red Cross.

Since the sewing room opened on Oct. 14, University women and members of the Faculty Women's Club have devoted a total of 187 hours to the project, Miss Van Duser said yesterday. Students can be found working in the Bitter Root room at all hours of the day.

### SCHOLARSHIPS GOOD AFTER DURATION

The State Board of Education recently ruled that the validity of high school honor scholarships held by students called to the armed forces will be extended during the full period of service. One additional year will be given students whose college courses are thus interrupted or delayed to resume their studies.

## Twelve Take CPT Exams; Seven Pass

### Candidates Must Pass Physical Examinations To Be Eligible

Only seven of the twelve persons taking the CAA screening tests passed the examination which was given last Saturday for the purpose of selecting eligible candidates for enrollment in the Civilian Pilot Training program, according to a statement made Tuesday by Dr. A. S. Merrill, coordinator of CPT. The program is scheduled to start about November 15.

The seven who passed the tests are now undergoing physical examinations and only five of these will be chosen to take the course because of the number of Navy men assigned to Missoula for preliminary flight instruction.

The present class of Navy men will finish their training here on or about Nov. 7, after which some of them will go to St. Mary's in California for pre-flight instruction. Others of the class will remain here for more advanced training.

Dr. Merrill said, that at least three former Navy men who took

## Barristers Invite Foresters to Ball

Attorney Ted James, Black Eagle, chairman of Barristers' Ball committee, recently announced that any Foresters who could beg, borrow, or steal a tux by the 21st of November may attend the affair.

"It just goes to show how far a democracy can go," he said. "Though it's far below the dignity of the law school, we've decided to let down the barriers, so the 'lower crust' and 'white trash' can see life as we learned and well-bred men of law do."

James said that as an added attraction, he, personally, will handle the punch.

### STORY AT BROOKS FIELD

Captain Leland A. Story '34 football letterman, has received his Air Corps Observer wings as announced by Colonel Stanton T. Smith, commanding officer, Brooks Field, Texas. Leland has been associated with the Continental Oil company for the past few years.

preliminary training here and went to St. Mary's have finished their work there and are now in Pasco, Wash., for basic naval flight training. The three men mentioned were Everton Conger, Jack Wilkinson and Gaspard Deschamps.

## Former ROTC Director Now In Costa Rica

Colonel Robert E. Jones, former director of University ROTC training, now heads the United States military mission at San Jose, Costa Rica. The mission is expanding and training extensively the Costa Rican army, which a year ago, numbered only 542 men. Colonel Jones, who was here from September 1, 1939, to December 1, 1941, has had 33 years of active army service, much of it in the Philippines, Nicaragua and France.

"The Costa Rican troops are cooperative and enthusiastic," Colonel Jones says. "We are preparing them to take the field, ready to go any place to repel any invader."

When the U. S. mission arrived there last February, it found a varied but effective assortment of equipment on hand—German and Italian machine guns, German and Swiss rifles, medium artillery and anti-aircraft guns mounted on wheels.

U. S. equipment now is on order for the army, which is being taught patrolling, camouflage, artillery work and assorted subjects, including how to repel parachutists.

# Interfraternity Touchball Finishes Fourth Round Of Match Play Yesterday

**Phi Delta Theta Downed by Navy Cadets, 13-9;  
First Loss for Fraternity Team In Two Years;  
Season Ends Next Week**

Navy's high-flying Air Corps Reserves added the Phi Deltas to their victory string Tuesday at the Clover Bowl with a 13-9 win in a tussle that was still anybody's game up to the final whistle. It was the first Phi Delt loss in two years. In the other tilt the SAE's downed Phi Sigma Kappa by a narrow 9-6 margin. Navy used the same play which had been effective in previous games, a long pass from Roberts to Klein on the right side. This play, late in the first period, put them in scoring position on the eight. The touchdown came two plays later on a blocked pass to Klein which was ruled interference by the referees.

A third quarter recovery of a Navy fumble by DeGroot on the seven gave the Phi Deltas their second scoring chance. After two incomplete tries, Potter shot a bullet pass to DeGroot standing unguarded in the end zone. Potter converted to give Phi Deltas a one point lead.

Desperately trying to score, the Navy was held on downs once on the five yard stripe. But not to be denied, they finally pushed over on a pass to Klein after Roberts, behind beautiful blocking, scooted around right end for 23 yards.

## SAE-PSK

A long pass from SAE's Burgess at midfield to McCulley in the end zone brought the game's first scoring midway in the second quarter.

The Phi Sig scoring drive came in the final stanza when Tarpo intercepted a SAE pass on the 25. O'Connell ran 10 around left end and Tarpo shot a pass to Fox in the end zone. A last minute Phi Sig scoring threat was halted on the eight yard stripe by Stevens' timely pass interception.

## Wednesday Games

Phi Delta Theta's sudden outburst of power in the final quarter resulted in a 27-9 victory over a fighting Sigma Nu outfit in one of the most bitterly contested touchball games of the season. Phi Sigma Kappa defeated Sigma Chi 9-6 in the other game of the twin-bill.

Scoring was opened when Potter tossed a short pass to Stephens midway in the first period.

Then after struggling up and down the field with neither team advancing the ball past the other's

15-yard line, Ray Reider, Sigma Nu back, slipped around right end for two yards, placing the ball in scoring position at the start of the third quarter. DiRe took a short pass for the extra point.

The Phi Deltas were not stopped on the short end of the score. With Potter passing and running behind good interference, the winners scored at will, with DeGroot catching two, and Stevens snagging one touchdown pass. All attempted conversions were good.

## Phi Sig-Sigma Chi

Tom Tarpo's field goal from the five yard line with one minute and 20 seconds to play broke a 6-6 deadlock, giving Phi Sigma Kappa its first touchball win of the season. Up to this point, there had been no advantage for either team.

O'Connell intercepted a pass on the midfield stripe, and behind beautiful blocking, scored for the Phi Sigs. His attempted conversion was wide.

After having their first half drives continually stopped cold, Sigma Chi awoke in the third quarter with a burst of long passes, with Murray tucking one away for the losers only score. The entire Phi Sig line blocked the try for extra point. The winners froze the ball in the closing moments of the game.

## Thursdays Games

After being held scoreless for 30 minutes, SAE suddenly came to life in the last two minutes of play to defeat Theta Chi in a game featured by brilliant defensive play.

Theta Chi scored early in the first quarter on a pass from Stirratt to Musket, but the try for point failed.

The final moments of the game were enough for the SAE nine when Wedin faded back and neatly flipped a pass into the flat to the waiting arms of "Chuck" Burgess who dashed to the two-yard line. Wedin's sweep around end for the score and also added the seventh point.

A touchdown jaunt around end by Reider in the opening minutes of the first quarter proved the winning margin for the Sigma Nu team as they defeated the Sigma Chi's 6-0 on a slippery and wind-swept field. As a result of the snow flurries, the running plays of both teams were practically nullified. Poor passing because of a soggy ball forced both teams to punt consistently.

## NOTICE

Central Board will meet with the Student Union Executive Committee this afternoon at 4 o'clock in the Eloise Knowles Room.

Sentinel business staff will meet Tuesday, November 3, at 3:10 and 4:10 p.m. in the Sentinel business office, according to Clayton Heron, Philipsburg, business manager.

## Interscholastic Meet Banned by Board Until End of Year

Elimination of the 1943 Interscholastic Track Meet is still in effect as a result of action of the Montana High School Association, Dr. J. W. Howard, chairman of the State University Interscholastic committee, recently announced. He was informed by the State Board of Control.

The Interscholastic Meet may be revived by a state-wide referendum or action at the next association meeting.

Bans were placed on Interscholastic and other state championships this spring at the association meeting. With the country at war this year, it was found unadvisable to have the meets because of great distances to travel.

The Board of Control is represented by four smaller schools—Culbertson, Stanford, Hardin and Terry and one larger school, Great Falls.

## YARLETT AT LAS VEGAS

Pvt. Lewis L. Yarlett, '42 is now stationed at the Las Vegas Army Gunnery School at Las Vegas, Nev. He is training there for aircraft mechanic and radio operator. Private Yarlett enlisted in the Army Air Corp at Missoula Oct. 12.

# Brown Relates China Experience

## Far East Traveler Tells Of Oriental Resistance To Japanese Imperials

By MARY ANN LUEBBEN

"Resist and reconstruct"—slogan of the college youth who are leading the Chinese Industrial Cooperative movement—was the keynote sounded by Miss Josephine Brown, Wednesday's convo speaker, who spoke to University students on behalf of the United China Relief. Miss Brown, who returned recently from making an extensive survey which took her into the interior of Free China to visit

eleven provinces, is one of the country's foremost authorities on China's war effort. She has frequently conferred with government officials on Chinese resources and manpower.

In December of 1940 Miss Brown left San Francisco for Manila with the hope of eventually reaching China. She was required to wait for eight months in the Philippines before obtaining her visa. While there she had an opportunity to observe the people and sense their morale; she said that, contrary to propaganda spread by Axis agents, the Philippines are entirely loyal to the cause of the Allies.

### China Prepared

"China had been prepared for the conflict with Japan for about 10 years," Miss Brown stated. She explained her point by saying that in 1927, when the national government established itself in Yonking, it made provisions for an economic council to start developing the resources of the interior of China. By 1927 it had set up cotton mills, spinning factories, irrigation systems, copper mines and a spur to the Burma road and was well on the road to becoming self-sufficient. For this reason it was necessary for Japan to strike when she did in order to preserve her own economic system which had long been supported by the backward Chinese.

However, in the three months that followed the Japanese attack in the fall of 1937, 90 per cent of China's ability to produce was destroyed. Chinese students, who had, in the past, been the privileged, took over the leadership for the war effort. There are now 21 million units under their leadership. In an effort to prepare leaders as fast as possible, all colleges were moved to the interior where students studied in all manner of makeshift school rooms. Miss Brown told of visiting the campus of West

China Christian College where five different universities are now studying together. She said that there was not one student who was not suffering from malnutrition.

### U. S. Not Like China

"The United States has not yet reached that high pitch of singleness of purpose that is common to the Chinese people. This singleness of purpose is one of the reasons that China is standing today," Miss Brown declared in comparing the American civilian population to that of China. She feels that the Chinese and Americans are a great deal alike in their resiliency, perspective and sense of humor. However, the mass of the American population does not feel the intense patriotism that the Chinese masses do, she said. She told of the sentiment of the Free Chinese on seeing the flag on the screen, in the street or in any public gathering.

## Student Recital Set for Today

The second student recital of the year will take place at 5 o'clock today in Main Hall Auditorium, John Crowder, dean of music, announced yesterday. The recitals are given weekly to accustom music students to appearing before an audience. Every music major must appear sometime during the year in one of the programs. Everyone is invited to attend, Crowder said.

The program for this week will include "End of A Perfect Day" (Bond), Leona Halter, Sunburst, saxophone; "Ave Marie" (Bach-Gounod), Leota Halter, Sunburst, clarinet; "Evening Star" (Wagner), Brinton Jackson, Kalispell, baritone; "Berceuse" (Godard), Betty Wright, Browning, clarinet; "Theme from Schubert's D Minor String Quartet," clarinet quartet, Betty Wright, Browning; Leota Halter, Sunburst; Shirley Calnan, Valley City, N. D.; and Janie Johnson, Great Falls; and "Concerto in A Minor, 1st Movement" (Grieg) by Gail Rounce, Sidney, piano.

## KGVO Will Donate Time To University

In honor of Grizzly Week, radio station KGVO will grant 25 minutes to ASMSU tonight. The program will begin at 6:35 p.m. with Colin McLeod, Hardin, student body president, master of ceremonies.

Skeff Sheehy, Butte, Traditions chairman, will explain why Grizzly Week is being staged instead of the traditional Homecoming celebration.

Clyde Carpenter, head football coach, will speak on the game and how the teams stack up.

## Red Cross Needs Women to Sew

More University women are needed to do Red Cross sewing. The children's garments must be completed as soon as possible since a new quota is waiting to be filled.

The sewing is done in the Bitter Root Room of the Student Union from 1:30 to 5 p. m. on Tuesdays, Wednesdays and Thursdays. Students are urged to turn out.

Miss Helen Kustad '42, a former member of Alpha Delta Pi, enlisted in the WAC in July, now engaged in radio and communications work at Ft. Des Moines.
